Tattysallagh Crib Festival

Unfortunately, for the second year running the annual crib festival at Tattysallagh will not go ahead due to Covid restrictions. However, because so many expressed an interest in the online version and were so supportive of the Mellon Educate charity, we will again do a daily post during each day of Advent.

Mellon Educate have acknowledged with deep gratitude the fantastic sum of £9,216 from last year's Tattysallagh Crib Festival which includes £8,485 in donations and £731 in gift aid. Babs Barrett would like to sincerely thank all those who donated online or in person to raise this magnificent sum to support the impoverished children in the townships of Cape Town.

Although no Irish volunteers were involved last year, 40% of the planned 2020 Building Blitz project was completed at Wesbank Primary School with the official handover on Friday 26th February 2021

All this would not have been possible in these challenging times without the generosity and support of so many to this worthy cause. Heartfelt thanks and appreciation.

If you would like to make a donation to Mellon Educate, it would be greatly appreciated, and it will make a huge difference to the lives of South Africa's poverty-stricken families.
