

Parish Survey

Thank you to all the parishioners who took the time to fill out our Survey and Census forms. Your views and opinions will help shape the Drumragh Parish of the future. If anyone still wishes to return a form, they can do so by leaving it in the boxes provided in the churches or drop it into the Parish Office. Alternatively the survey can be filled out online. You can find the link on our parish website or facebook page.

Gentle reminder to any parish representatives who have still to collect the forms in their area to do so as soon as possible. We thank the parish representatives for their help in facilitating this project as it could not have been carried out without their help.

Also, if you live in an area which has not received the survey forms, please contact the Parish Office on 028 8224 2092. We will arrange for the distribution of forms in that area as soon as possible.
